## GOLF INSTRUCTION OFFERED R. Norcom

Offering an opportunity to the novice hi-school golfer, John Cramer, a visiting professional from Curacao, will give weekly lessons on Saturday mornings at the Lago golf course. These lessons will be given only if enough interest can be aroused to make a big enough class. The lessons will cost only a guilden an hour instead of the usual fee of fls. 4 a half hour. The lessons will continue for six successive weeks.

Mr. Cramer is very well versed on golf techniques and has already started many novice golfers out on the right foot.

If you wish to take lessons, please arrange them with Mr. Downey.

## PAN AMERICAN DAY J. Hoffman

Last Friday night the Pan American Day show was staged in the elementary school auditorium. The young actors put on a fine show before a receptive audience. (This is very helpful)

A few high notes weren't reached but then we can't all be opera material. The dances were, of course, Spanish and not being of noble race the dancers did a good job of pretending.

During the practice for these shows we learned a good deal about the Spanish customs, songs and life. I'm sure we won't forget easily the fun and Miss Gallicen's patience.

May 5--Liberation of Holland

May 9--Opening of the Legislature

Council

May 26--Ascension Thursday

May 29--Whit Monday

Then in June we students have a holiday the 22nd.

This is the day the teachers correct the final tests. Then, to top the holiday of holidays, summer vacation is just around the corner.

JR. HI-JINX by Nancy Chippendale

The eighth grade has become geometry minded. Besides using triangles and rectangles in Math, they are using them in their love affairs. The current rectangle is Judy B., Annette G., Mitzi F., and "Hoot Owl" Griffin.

What was Mitzi F. doing with five boys at Palm Beach Saturday?

The bus that took the eighth grade to Palm Beach Saturday just couldn't stand the strain. It collapsed halfway to Oranjestad.

Danny J. and Martha S. L. seem to be doing very well together.

Girls: Don't look at Robert H. because your attention makes him show off.

The smallest couple in the seventh grade is Noel C. and Danny B. and the largest is Carol G. and Robert H.

#### BIRTHDAY GREETINGS

April birthdays have not been forgotten and although late, we want to wish the best of everything to Mike Alegary and David Massey who celebrated last Friday, and Ronald Turner who added another year to his age last Monday.

After this slip-up, may we be the first to congratulate Beth Evans, Doug Scott, and John Stuart who are ushering in another year on Sunday, Monday, and Tuesday, respectively.

SCUTTLE BUTT by Chuck Wilson

A few of the feminine members of Lago Hi were asked to be cigarette girls at the Queen's Birthday Ball.

After many disappointments the Junior Prom question has been settled. The dance will be held at the Golf Club with Junior and Senior parents only invited.

I hear that Sonny is moving about quite a bit; in fact, he is somewhat like a rabbit, hopping from Hospital Hill to C. F. A. and back.

I noted at the CYO dance last Saturday night Phyllis is still carrying a big torch for Warren.

What do you think about a girl who makes a date then goes and accepts a baby sitting job for the night of the date? She is one big stinker to that guy who faithfully picks her up each night after school in a green Oldsmobile.

That Wachter is now chasing the girls with a big ruler because they put lipstick prints on his brand new green blotter.

In case you are interested, I have resurrected that yellow car again.

## SOFTBALL LEAGUE UNDER WAY-B. Borbonus

Intramural softball got underway on Tuesday, when Mr. Downey called a meeting of all boys to pick teams. The captains, Baggaley, Aulow, Burbage, Carroll, and Tricarico, each picked ten men. The teams are evenly matched and the league ought to be exciting.

Wednesday started the League with Tricarico's team meeting Carroll, and Aulow's team meeting Burbage's team. Tricarico's team won 12-5 and Aulow's team won by a score of 10-7.

Dear Bill,

Weeping Willow

## WIRE-TAPPING ? ?

Did you ever stop to think your telephone conversation can be heard by other people on the line?

She: Why didn't you call at 11?

He: I got up at 11, and called at 11:30.

She: unh-I had a boring day. Club, Carla's, and took Barclay home. Are you coming down?

He: I guess so.

She: What do you mean?

That's all; take it from there yourself.

## BAKE SALE

The Jr. Class wishes to thank all those who helped with the bake sale. Their work and donations were very much appreciated.

Two cookie sheets and a plate have strayed from their owners since the bake sale. The owners should contact Miss Keenan.

## JUST WONDERING

--K. Hussey

I wonder why

...we have so many stags at school dances? (Could it be that the boys are shy?) Ed. note-Science has proved that girls are also human.

...the library is such a popular place? (We all love you, Miss Pannervis).

...a certain group of boys are always playing cards? (Maybe they like to shuffle them.)

...everyone is seeing Penny? (Is it just about Canteen Cards?)

...the 7th and 8th grade girls are such sport fan (atic) s? (Could be because the boys are, too)

...Lago High is the center of everything Mondays through Fridays? (Note: It's not by choice).

...the louvres never seem to work? (Maybe we aren't gentle enough).

...the Freshman have everybody wondering? (Perhaps it's because we live in deadly terror of what they'll do next).

## CLASSROOM CAPERS

--Mingus

Who will next be the victim of the junior and senior fiends and their cute (they think) little joke of putting a poor, defenseless, and innocent girl in the catalyst barrel? We extend our deepest regrets to the already experienced victims (Mary Lou, Milly and Phyllis). Beware, girls!! Don't let fall a casual ill-placed remark about these gentlemen (?) or you, too, may find yourself in a very awkward position.

## GOLF NEWS

--B. Norcan

Bob Burbage, looking for a first place in the Aruba Open, played very consistent golf last week to tie Mr. Bombrest with a net 211. Good scores are also coming Bill Hellwig's way. Sunday he came in smiling with a 34, a brilliant two under par.

Soon the American vs. France, a handicap tournament, will give them some more keen competition.
